Jessica Gårdmo, CFO of Wästbygg Group since 2022, has today announced that she is leaving her position and the company's executive management for new challenges outside the group. Peter Bryng is appointed interim CFO and member of the executive management.

Beyond many years of experience in similar interim assignments for listed companies, Peter Bryng's latest position was as CFO of Jula AB.

- I am content that we are able to appoint Peter Bryng as interim CFO until we have a permanent solution in place. With Peter's solid experience, I am convinced that the company's progress and development will continue in an effective way. I also want to show my gratitude to Jessica Gårdmo for the important work she performed during her years as CFO and wish her the best of luck with her new challenges outside Wästbygg Group, says Jonas Jönehall, CEO of Wästbygg Group.

Peter Bryng takes over as interim CFO immediately and Jessica Gårdmo will be available to ensure an orderly handover. In parallel, the recruitment of a permanent CFO who can assist the company in reaching the goals previously communicated as well as developing the group's work with financial matters, has been initiated.
